

### Headteacher News

Welcome back to all our families after a lovely summer break. We do hope it was enjoyable with rest and time to see family and friends. It has been lovely seeing the children's smiley faces and hearing chat and laughter throughout the school. We are so impressed that your children have come back and settled in so well especially if they have moved to a new class. We hope that they have told you all about their first few days and that they are feeling happy. Please do always let us know if you need to talk to your child's teacher or just want to check in with the teacher. I would particularly like to welcome Mrs Brown as Bannerman's class teacher, Mrs Tadman as Devas TA and Mrs Ashbridge who works in Breakfast Club, as well as children and families who are beginning their learning journey with us at Hunton this term.

Our new Year R children have begun their school life incredibly well and it is wonderful to see their excitement as they embark on their next adventure. Starting school is a precious milestone and we want to ensure it is a positive experience for all involved. A special moment was when the new Devas children gave their parent a 'Bag of Love'. These were beautifully made, thoughtfully filled and donated by the Mother's Union from our local Benefice. We welcome the children and the new families to our Hunton family.

The school over the summer has not felt the same without our wonderful children in and now has its buzz back. Over the holidays, teachers have been working hard preparing their learning environments for their new classes and making sure they are ready for the children's return. Lots of work has been carried out around the school such as new carpets in communal areas, decorating and the erection of a pergola over our prayer seat.

Thanks to Evie's mum who raised the money for us by jumping out of a plane and Hentie from Tambookie Ltd who built it ready for the start of term.

We have not stopped commenting on how smart the children look this week and that they have all been in class on time ready for learning. The strong community ethos of the school is reinforced by the pride they are taking in looking smart in Hunton's uniform. Your support is very much appreciated with this and we would ask that all parents ensure that children come to school dressed appropriately, without nail varnish and with only plain stud earrings and watches for jewellery.

I hope you enjoy this last little heat wave summer has sent us.

## Attendance

Together with yourselves we are sure that you recognise that good attendance enables good learning and progress. It is important that your child is at school on time, ready for learning. Learning does start straight away and being late in class can mean that your child misses the essential start of a lesson and then finds it hard to engage.

In order to ensure that the children have a settled start to the day, we would ask all parents to make sure that their children arrive before their start times.

## Chairman of Governors Message

Dear Parents and Carers, on behalf of the Governing Body, I wanted to welcome you to Hunton School for the new year. It was a joy for me, in July, to meet with those whose children have now entered the Reception Class. I hope that through the coming year you will get the chance to engage with, the Governors at the school.

The summer has been very busy at the school with continuing refurbishment and new equipment arriving. The staff have been recharging their batteries and have been preparing to make this year even better for the children.

Hunton is a small village, but it has a strong and thriving community. I hope that over the coming year, those of you who do not live in the village will appreciate the role that the school plays within the village, as well as the role that the village plays in supporting the school. The August edition of the village newsletter, the 'Hunton Herald', had a leading article about the excellent school play, 'Chitty Chitty Bang Bang.' The Herald is delivered to every house in the village but can also be viewed on line at [www.huntonparishcouncil.org.uk](http://www.huntonparishcouncil.org.uk)

The annual Beer and Gin Festival took place on September 2<sup>nd</sup>, it was attended by over 300 people, making it a real family event. The next big event will be the village pantomime at the end of October. I support the panto backstage. It is pleasing that we have current and recent pupils from Hunton School taking part. So, do join us for this special event.

And finally, apart from being a Parish Councillor, I have recently become the Churchwarden for our village church. We hold services on the first and third Sunday of the month at 9:30. You will always find a warm welcome.

Do enjoy the gorgeous weather this weekend.
