	Year 1 Running: I know and understand that if I swing my arms it will help me to run faster. Jumping: I know that landing on the balls of my feet helps me to land with control. I know that if I bend my knees it will help me to jump further. Throwing: I know that stepping forward with my opposite foot to hand will help me to throw further. Rules: I know that rules help us to play fairly.	Running: I know that running on the balls of my feet, taking big steps and having elbows bent will help me to run faster. Jumping: I know that swinging my arms forwards will help me to jump further. Throwing: I know that I can throw in a straight line by pointing my throwing hand at my target as I let go of the object. Rules: I know how to follow simple rules when working with others.	Running: I know that leaning slightly forwards helps to increase speed. I know leaning my body in the opposite direction to travel helps to slow down. Jumping: I know that if I jump and land in quick succession, the momentum will help me to jump further. Throwing: I know that the speed of the movement helps to create power. Rules: I know the rules of the event and begin to apply them	Year 4 Running: I know that I need to pace myself when running further or for a long period of time. I know that a high knee drive, pumping my arms and running on the balls of my feet gives me power. Jumping: I know that transferring weight will help me to jump further. Throwing: I know that transferring weight will help me to throw further. Rules: I know the rules to be able to manage our own events.	Year 5 Running: I know that taking big consistent strides will help to create a rhythm that allows me to run faster. I know that keeping a steady breath will help me when running longer distances. Jumping: I know that if I drive my knees high and fast I can build power and therefore distance in my jumps. Throwing: I know how to transfer my weight in different throws to increase the distance. Rules: I know and apply rules in a variety of events using official equipment.	Year 6 Running: I know that I need to prepare my body for running and know the muscle groups I will need to use. Jumping: I know that a run up builds speed and power and enables me to jump further. Throwing: I know that I need to prepare my body for throwing and know the muscle groups I will need to use. Rules: I know and apply rules in events that pose an increased risk.

40-60+ months Sending: I know to look at the target when sending a ball. Catching: I know to have hands out ready to catch. Tracking: I know to watch the ball as it comes towards me and scoop it with two hands. Dribbling: I know that keeping the ball close will help with control. ELG Physical Development; Gross Motor Skills Negotiate space and obstacles safely, with consideration for themselves and others. Demonstrate strength, balance and coordination when playing	Year 1 Sending: I know to face my body towards my target when rolling and throwing underarm to help me to balance. Catching: I know to watch the ball as it comes towards me. Tracking: I know to move my feet to get in the line with the ball. Dribbling: I know that moving with a ball is called dribbling.	Year 2 Sending: I know that stepping with opposite foot to throwing arm will help me to balance. Catching: I know to use wide fingers and pull the ball in to my chest to help to securely catch. Tracking: I know that it is easier to move towards a ball to track it than chase it. Dribbling: I know to keep my head up when dribbling to see space/opponents.	Year 3 Sending: I know that pointing my hand/foot/stick to my target on release will help me to send a ball accurately. Catching: I know to move my feet to the ball. Tracking: know that using a ready position will help me to react to the ball. Dribbling: I know that dribbling is an attacking skill used in games which helps us to move towards a goal or away from defenders.	Year 4 Sending: I know that I can use a variety of ways to send the ball and it may depend on the situation e.g. distance, speed, if there is a defender. Catching: I know to adjust my hands to the height of the ball. Tracking: I know that tracking a ball is an important skill used in games activities and be able to give examples of this. Dribbling: I know that dribbling with soft hands/touches will help me to keep control.	Year 5 Sending: I know that controlling a ball before sending it will allow me to send it accurately. Catching: I know when to use different types of catching. Tracking: I know that tracking a ball will help me to collect/stop/receive it quickly and successfully. Dribbling: I know that dribbling in different directions will help me to lose a defender in game situations.	Year 6 Sending: I know and understand and make quick decisions about when, how and who to pass to. Catching: I know how to catch a ball for different situations, considering trajectory, speed, height and size of the ball. Tracking: I know how to track a ball for different situations, considering trajectory, speed, height and size of the ball. Dribbling: I know to choose the appropriate skill for the situation under pressure e.g. a V dribble in basketball to keep the ball away from a defender

40-60+ months Actions: I know and understand that I can move my body in different ways to create interesting actions. Dynamics: I know and understand that I can change my action to show an idea. Space: I know that if I move into space it will help to keep me and others safe. Performance: I know that when watching others I sit quietly and clap at the end. Strategy: I know that if I use lots of space, it helps to make my dance look interesting. ELG Expressive Arts and Design; Being Imaginative and Expressive: Perform songs, rhymes, poems and stories with others, and — when appropriate- try to move in time with music. Physical Development; Gross Motor Skills: Demonstrate strength, balance and coordination when playing	Year 1 Actions: I know that actions can be sequenced to create a dance. Dynamics: I know that I can create fast and slow actions to show an idea. Space: I know that there are different directions and pathways within space. Relationships: I know that when dancing with a partner it is important to be aware of each other and keep in time. Performance: I know that standing still at the start and at the end of the dance lets the audience know when I have started and when I have finished. Strategy: I know that if I use exaggerated actions it	Year 2 Actions: I know that sequencing actions in a particular order will help me to tell the story of my dance. Dynamics: I know that I can change the way I perform actions to show an idea. Space: I know that I can use different directions, pathways and levels in my dance. Relationships: I know that using counts of 8 will help me to stay in time with my partner and the music. Performance: I know that using facial expressions helps to show the mood of my dance.	Year 3 Actions: I know and understand that sharing ideas with others enables my group to work collaboratively and try ideas before deciding on the best actions for our dance. Dynamics: I know and understand that all actions can be performed differently to help to show effect. Space: I know that I can use space to help my dance to flow. Relationships: I know that 'formation' means the same in dance as in other activities such as football, rugby and gymnastics. Performance: I know that I can use timing techniques such as canon and unison to create effect.	Year 4 Actions: I know that some actions are better suited to a certain character, mood or idea than others. Dynamics: I know that some dynamics are better suited to a certain character, mood or idea than others. Space: I know that space can be used to express a certain character, mood or idea. Relationships: I know that some relationships are better suited to a certain character, mood or idea. Performance: I know that space can be used to express a certain character, mood or idea.	Year 5 Actions: I know that different dance styles utilise selected actions to develop sequences in a specific style. Dynamics: I know that different dance styles utilise selected dynamics to express mood. Space: I know that space relates to where my body moves both on the floor and in the air. Relationships: I know that different dance styles utilise selected relationships to express mood. Performance: I know what makes a performance effective and know how to apply these principles to my own and others' work.	Year 6 Actions: I know that actions can be improved with consideration to extension, shape and recognition of intent. Dynamics: I know that selecting a variety of dynamics in my performance can help to take the audience on a journey through my dance idea. Space and relationships: I know that combining space and relationships with a prop can help me to express my dance idea. Performance: I know how a leader can ensure our dance group performs together.
