**Should fireworks be changed
so we protect animals and
people at the same time?**

In the news this week

An animal charity, called Redwings Horse Sanctuary, has asked the government to make fireworks quieter to help protect animals and people. Loud fireworks can scare pets, wildlife, and some people who find sudden noises upsetting. Supporters of the campaign say we can still celebrate with low-noise fireworks or light shows that keep everyone safe and happy.

Things to talk about at home ...

- > Do you celebrate Bonfire Night or an occasion with fireworks?
- > Do you enjoy fireworks? Discuss with someone at home.
- > The campaign suggests low-noise fireworks and drone shows as alternatives to traditional fireworks. For each, think about the pros and cons.
